The assessment plan includes Periodic Tests, each worth 30 marks and lasting 70 minutes, scheduled in May and December. Additionally, Half-Yearly and Annual Assessments of 80 marks, spanning 3 hours, will be conducted in September and February.

In addition to assessments, various skill-based activities, Lab Practicals & VIVA will be conducted, totalling 10 marks each for both Half-Yearly and Annually.

These activities encompass Subject Enrichment Activities, Art Integrated Activities, projects, interactive discussions, presentations, Holiday Homework, Practicals, VIVA and notebook maintenance.

The paper pattern will feature a range of question types based on the CBSE pattern, including MCQs, True/False, Fill-ups, Match the Following, One Word, Odd One Out with Reason, Answer in One Word, One-Line Answers, Labelling Diagrams, Reason-Assertion Based Questions, Map Skills, Notices, Diagrams, Short Answer Questions, Formal/Informal Letter Writing, Application Writing, and Detailed Answers. These formats reflect the practice worksheets provided by the school.

The school will assess students in both Scholastic and Co-Scholastic areas.
