

# HOLIDAY HOMEWORK 2025-26

## SENIOR K.G.

Summer is messy,  
Summer is bright,  
Beachside fun  
In the warm sunlight!  
Let's give summer a big loud cheer —  
It's the best time of the year!

Dear Parent,

Children are naturally curious and full of wonder about the world around them. As caregivers and educators, it's our role to nurture this spark and make learning an enjoyable journey.

With summer vacation just around the corner, let each day be an opportunity to bond, explore, and create lasting memories with your child.

May this break be filled with laughter, love, and meaningful moments that strengthen your connection.
