Explore Learning Together

Children are amazing... cherish them.
They are believable... trust them.
They are childlike... let them.
They are energetic... nourish them.
Here now, be with them...
Innocent, delight in them...
Magical, fly with them...

A Summer Full of Sunshine: 4 Joyful Habits to Grow

Greet with a Smile: Say Good Morning and seek blessings from elders by touching their feet.

- **Use Magic Words:** Practice Sorry, Please, Thank You, and Excuse Me.
- **Build Social Skills:** Play outdoor games with friends and share toys joyfully.

Be a Little Helper: Help set the dining table and keep your room, bag, and toys tidy.

- **Independent Me:** Practice buttoning clothes, hanging bags, and opening/closing tiffin boxes.
- **Kitchen Company:** Lend a hand passing vegetables or arranging plates.

Daily Care: Brush twice daily, bathe regularly, and wear clean clothes.

- **Stay Neat:** Comb hair, trim nails, and wash hands properly before and after meals.
- **Eat Bright:** Enjoy fresh fruits, homemade meals, and eat together as a family.

Explore Nature: Go for morning or evening walks with parents.

- **Move Your Body:** Enjoy family cycling and practice Vajra Aasana after meals.
- **Grow Together:** Plant seeds, water the garden, and watch nature bloom.

*“A healthy body and a kind heart are the best gifts you can give yourself.
Stay happy, stay shining, and make every day of your summer vacation special!”*

Be a Wonderful Human Being

Academic Excellence

Quality First: Maintain neatness and high-quality presentation across all activities.

Ownership: Work independently; only ask parents/guardians for guidance.

Stay Sharp: Thoroughly revise all syllabus covered till May during the last two weeks of June.

Life & Family Skills

Daily Habits: Manage your time well and read the newspaper daily for current affairs.

Activity 2 : Integrated Art & Mathematical Fashion

Tradition, Creativity & Mathematics Woven Together

Explore India's Heritage:

Become young designers and creators on a colorful journey into traditional Indian fabric art.

Screen-Free Creativity:

Step away from mobile phones! Use old fabrics and eco-friendly materials to design beautiful patterns inspired by Indian art forms, geometry, colors, and symmetry.

Techniques:

Draw, colour, paint, print, stitch, or decorate.

Activity 3: Mandala Art Geometry (Math)

Tradition, Creativity & Mathematics Woven Together

The Math Elements

Incorporate circular geometric designs, symmetry lines, repeated mathematical patterns, and shapes (circles, triangles, polygons).

The Art & Materials

Use an old plain T-shirt, pillow cover, or fabric piece. Decorate using sketch pens, fabric colors, and eco-friendly/reusable materials.

(Reference picture, Students may take design of their own choice)

Step away from the screens and explore India's rich fabric heritage!
